Call for abstracts for the 48th European Lipoprotein Club meeting is open

48th
Annual Scientific Meeting
8-11 September 2025
Tutzing, Germany

EUROPEAN LIPOPROTEIN CLUB
elo

EAS

The 48th European Lipoprotein Club (ELC) meeting will take place in Tutzing, Germany, from September 8-11, 2025.

Abstract submission is now open until April 24, 2025! Scientists and students from Europe and neighboring countries are encouraged to apply. Selected abstracts will be considered for oral and poster presentations.

Join us for a dynamic programme featuring cutting-edge research on lipids, lipoproteins, and lipid-related diseases. Don't miss this opportunity to share your work and connect with experts in the field!

Education:

Get certified in lipidology – a course for Nurses & Healthcare Professionals, available in multiple languages!

The Certificate in Lipidology for Nurses & Healthcare Professionals has gained significant popularity due to its comprehensive approach to managing lipid disorders and cardiovascular risk.

To increase accessibility, the course is available in multiple languages, allowing healthcare professionals worldwide to enhance their expertise, regardless of their location or language. This multilingual availability

ensures that more professionals can benefit from the programme and apply its insights to improve patient care in diverse healthcare settings.

The course fee is 200€ for non-members and 100€ for EAS members. Sign up today to advance your knowledge and skills in this crucial area.
